- | | |
|---------------------|-------|
| a. General Category | – 50% |
| b. Scheduled Caste | – 10% |
| c. Scheduled Tribe | – 26% |
| d. O.B.C. | – 14% |

And three percent to P.H.C. within the category.

However due to less number of colleges in the area students are being admitted in excess to the allotted seats because the University has no option but to accommodate them in order to check the migration of students & from other activities.

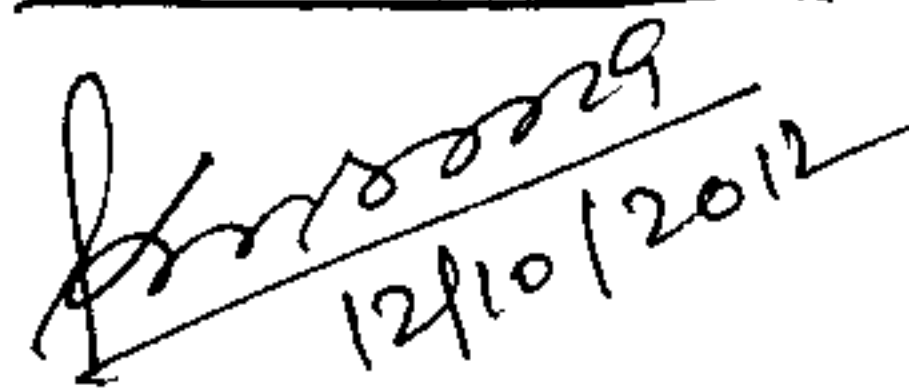

On getting these informations Hon'ble chairman was of the opinion that this categorisation is erroneous and directed that it should be in groups or else at the entry point itself OBC & SC category candidates are being deprived of their right & directed to follow the D.O.P.T. & U.G.C. guidelines. 

Hon'ble chairman also directed his A.P.S. to convene a meeting sometime in the month of November, 2012 to discuss on these issues. He spoke to the Principal Secretary Personnel Department, Govt. of Jharkhand and the Director, Higher Education, HRD Department Govt. of Jharkhand, Ranchi on phone and acquainted them with DOPT Govt. of India and UGC rules as well as the implementation going on in Central Universities.

Finally Hon'ble chairman directed the Registrar to participate in the meeting with a copy of the approved reservation roster in the meeting to be convened by the Commission sometime in the month of November, 2012.
